## **AUDIT COMMITTEE CHARTER**

**OF**

### **INDIGO ACQUISITION CORP.**

#### **Purpose**

The purposes of the Audit Committee (the “Audit Committee”) of the Board of Directors (“Board”) of Indigo Acquisition Corp. (“Company”) are to assist the Board in monitoring: (1) the integrity of the annual, quarterly, and other financial statements of the Company, (2) the independent auditor’s qualifications and independence, (3) the performance of the Company’s internal audit function and its system of internal controls and independent auditor, (4) the appointment, compensation, retention, replacement and oversight of the work of the independent auditors and any other independent registered public accounting firm engaged by us; (5) the compliance by the Company with legal and regulatory requirements; and (6) such other matters as are assigned to the Committee by the Board pursuant to this Charter or as mandated under applicable laws, rules and regulations (including the Securities Exchange Act of 1934 and the rules and regulations promulgated thereunder, as amended (the “Exchange Act”)) as well as listing standards of The Nasdaq Stock Market LLC (together, the “Applicable Requirements”). The Audit Committee also shall review and approve all related-party transactions.

Although the Committee has the powers and responsibilities set forth in this Charter, the role of the Committee is oversight. The members of the Committee are not full-time employees of the Company and may or may not be accountants or auditors by profession or experts in the fields of accounting or auditing and, in any event, do not serve in such capacity. Consequently, it is not the duty of the Committee to conduct audits or to determine that the Company’s financial statements and disclosures are complete and accurate and are in accordance with Generally Accepted Accounting Principles (“GAAP”) and other Applicable Requirements. These are the responsibilities of management and the Company’s independent auditor.

The Audit Committee shall prepare the report required by the rules of the Securities and Exchange Commission (“Commission”) to be included in the Company’s annual proxy statement.

#### **Committee Membership**

The Audit Committee shall consist of no fewer than three members of the Board, absent a temporary vacancy. The Audit Committee members shall meet the “Audit Committee Requirements” of The Nasdaq Stock Market, LLC and the independence and experience requirements of Section 10A(m)(3) of the Securities Exchange Act of 1934 (“Exchange Act”) and the rules and regulations of the Commission.

The members of the Audit Committee shall be appointed by the Board. Audit Committee members may be removed or replaced by the Board; provided, however, that if removing a member or members of the Committee would cause the Committee to have fewer than three members, then the Board must, based upon the recommendation of a majority of the independent directors of the Board, at the same time appoint enough additional members to the Committee so that the Committee will have at least three qualified members. The Committee’s chairperson shall be designated by the Board on the recommendation of a majority of the independent directors of the Board or, if not so designated, the members of the Committee shall elect a chairperson by a vote of the majority of the full Committee. If present, he or she shall preside at each meeting of the Audit Committee. He or she shall advise and counsel with the executives of the Company, and shall perform such other duties as may from time to time be assigned to him or her by the Audit Committee or the Board of Directors.

#### **Meetings**

The Audit Committee shall meet as often as it determines, but not less frequently than quarterly. Meetings shall be called by the chairperson of the Committee or, if there is no chairperson, by a majority of the members of the Committee. Meetings may be held telephonically or by other electronic means to the extent permitted by the Company's organizational documents and applicable law. Committee actions may be taken by unanimous written consent.

The Audit Committee shall meet periodically with management and the independent auditor in separate executive sessions to discuss any matters that the Committee believes should be discussed privately. The Audit Committee may request any officer or employee of the Company or the Company's outside counsel or independent auditor to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee.

The Committee shall maintain minutes of its meetings and records relating to those meetings.

### **Committee Authority and Responsibilities**

In fulfilling its duties and responsibilities hereunder, the Committee will be entitled to rely reasonably on (a) the integrity of those persons within the Company and the professionals and experts (such as the Company's independent auditor) from whom it receives information, (b) the accuracy of the financial and other information provided to the Committee by such persons and (c) representations made by the Company's independent auditor as to any services provided by such firm to the Company.

The Audit Committee shall have the sole authority to appoint or replace the independent auditor. The Audit Committee shall be directly responsible for determining the compensation and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The independent auditor shall report directly to the Audit Committee.

The Audit Committee shall pre-approve all auditing services and permitted non-audit services to be performed for the Company by its independent auditor, including the fees and terms thereof (subject to the de minimis exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act which are approved by the Audit Committee prior to the completion of the audit). The Audit Committee may form and delegate authority to subcommittees of the Audit Committee consisting of one or more members when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next scheduled meeting.

## **2**

The Audit Committee shall have the authority, to the extent it deems necessary or appropriate, to retain independent legal, accounting, or other advisors. The Company shall provide for appropriate funding, as determined by the Audit Committee, for payment of compensation to (i) the independent auditor for the purpose of rendering or issuing an audit report and (ii) any advisors employed by the Audit Committee.

The Audit Committee shall make regular reports to the Board. The Audit Committee shall review and reassess the adequacy of this Charter annually and recommend any proposed changes to the Board for approval. The Audit Committee annually shall review the Audit Committee's own performance.

The Audit Committee shall:

#### Oversight of the Company's Relationship with the Independent Auditor

11. At least annually, obtain and review a report from the independent auditor, consistent with the rules of the Public Company Accounting Oversight Board, regarding (a) the independent auditor's internal quality-control procedures, (b) any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities within the preceding five years respecting one or more independent audits carried out by the firm, (c) any steps taken to deal with any such issues and (d) all relationships between the independent auditor and the Company. Evaluate the qualifications, performance and independence of the independent auditor, including whether the auditor's quality controls are adequate and the provision of permitted non-audit services is compatible with maintaining the auditor's independence, and taking into account the opinions of management and the internal auditor. The Audit Committee shall present its conclusions with respect to the independent auditor to the Board.

12. Verify the rotation of the lead (or coordinating) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law. 13. Oversee the Company's hiring of employees or former employees of the independent auditor who participated in any capacity in the audit of the Company.
14. Periodically discuss with the independent auditor, without management being present, (a) their judgment about the quality, integrity and appropriateness of the Company's accounting principles and financial disclosure practices as applied in its financial reporting and (b) the completeness and accuracy of the Company's financial statements.
15. Be available to the independent auditor during the year for consultation purposes.

#### Compliance Oversight Responsibilities

16. Obtain assurance from the independent auditor that Section 10A(b) of the Exchange Act has not been implicated.
17. To the extent the Audit Committee deems necessary and appropriate, develop and recommend to the Board for approval policies and procedures for the review, approval or ratification of related person transactions required to be disclosed pursuant to Item 404 of Regulation S-K, as may be amended from time to time, and any other applicable requirements (the "Related Person Transaction Policy"). Review any Related Person Transaction Policy at least annual and make recommendations to the Board for its approval any changes to that policy. Oversee the implementation of and compliance with any Related Person Transaction Policy, including reviewing, approving or ratifying related person transactions, as appropriate pursuant to the Related Person Transaction Policy.
18. Inquire and discuss with management the Company's compliance with applicable laws and regulations and with the Company's Code of Ethics in effect at such time, if any, and, where applicable, recommend policies and procedures for future compliance.
19. Establish procedures (which may be incorporated in the Company's Code of Ethics, in effect at such time, if any) for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or reports which raise material issues regarding the Company's financial statements or accounting policies. Review requests for waivers under the Code of Ethics sought with respect to any executive officer or director. Review annually with the Chairperson of the Board or outside counsel, as appropriate, the scope, implementation and effectiveness of the ethics and compliance

program, and any significant deviations by officers and employees from the Code of Ethics or other compliance policies, and other matters pertaining to the integrity of management.
